

# The Welwyn Thaliens

## Our Covid Precautions

The Welwyn Thaliens are looking forward to welcoming you back to the Thalian Hall for this production of A Christmas Night to Remember.

In preparation for your visit we want to share some of the precautions that we continue to take in relation to the present situation.

### **If you feel unwell**

Please do not attend the show if you feel unwell and remember to follow the Government advice if you have any symptoms of Covid 19.

### **Face Coverings**

Although masks / face coverings are no longer compulsory, we ask that you wear these (unless exempt) until seated and when entering and leaving the hall.

### **Regular Cleaning**

We continue to clean regularly with additional touch point cleaning throughout each performance.

### **Hand Sanitiser**

Hand Sanitiser is available throughout the hall. Please do use it throughout your visit.

### **Ventilation**

When weather permits, doors will be opened to increase ventilation.
